**Web advertising**

Ads for Solicitors Journal website should be provided in RGB as either image files: PNG, GIF or JPEG at 72 or 96dpi, or HTML5. We can accept Flash files, however we strongly discourage this as Adobe Flash is not a universally compatible file format for all web browsers and mobile devices, and will therefore not display correctly or at all for many users.

Please use the image below as a guide for where your artwork will appear and what sizes you would like to provide. Web campaigns will be run-of-site unless otherwise specified in your order. Run-of-site campaigns are served automatically by our ad server across the entire site, and at a rate designed to meet your required number of impressions over the time period requested. You may therefore need to view/refresh several pages on the site in order to see your own artwork live.

**Weekly newsletter**

Banners and small square adverts that are placed on Solicitors Journal website will also be included in Solicitors Journal weekly newsletter, ensuring maximum reach for no extra cost.
